NCDHD is moving into Phase 2A for 50- 64-year-olds. To be called for an appointment time NCDHD asks that residents register at vaccinate.ne.gov. NCDHD will still work to vaccinate those 65+ and those identified as prioritized groups. Clinics are scheduled and calls are made to schedule registered residents for vaccination appointments as quickly as vaccine can come into the office. NCDHD appreciates the patience of our district as we work to get vaccine out to our communities as quickly as possible.

NCDHD will be accepting walk-ins at the following clinics this week. To qualify as a walk-in, you must be 50+ and reside in Antelope, Boyd, Brown, Cherry, Holt, Keya Paha, Knox, Rock, and Pierce counties and be registered on the state registry at vaccinate.ne.gov. Due to the limited number of doses allocated to the North Central District Health Department, we cannot accept individuals that live outside of our health district.
