“Positive COVID-19 Cases for Holt, Rock, and Knox Counties.” Public Service Announcement

North Central District Health Department (NCDHD) was made aware of four additional cases in the district. Two new cases reported for Holt County, one new case for Rock County, and one new case and one new recovery for Knox County. Through case investigations the cases are deemed to be from community spread. All close contacts have been identified and contacted. Community spread means that the source from the spread of the illness is unknown. Community spread is present throughout the district and residents are encouraged to continue to practice social distancing, wear a mask when social distancing may be difficult, and practice good hand hygiene.
