3/14/2022 NCDHD COVID-19 Updates
Public Service Announcement

North Central District Health Department (NCDHD) has been made aware of 11 new COVID-19 cases in the district since last reporting period on 3/7/2022.

NCDHD will be at the O’Neill Community Center on Tuesday, March 15, 2022, to review the FINAL CHA data and select the CHIP priorities. An evaluator from UNL’s Public Policy Center will present the data and report findings. It is anticipated the meeting will go from 10am-2pm. If this changes, further communication will be sent. NCDHD urges all community partners to participate in this gathering, as the more input from varying sectors the better partners can accurately select health priorities for the next three years.

Any individual with immunocompromising conditions is eligible for a COVID-19 booster dose 3 months after their 3rd dose. If you have questions about your eligibility or when you should get your booster dose, please contact your medical provider or NCDHD at 402-336-2406.

NCDHD is offering scheduled COVID-19 Testing through TotalWellness on Mondays, Wednesdays, and Fridays. PCR and Rapid tests are available. This testing is offered in O’Neill and is BY APPOINTMENT ONLY. NO WALK-INS ACCEPTED. This testing can be utilized by symptomatic/exposed individuals or for those in need of a COVID-19 test for travel. To register, visit <https://login.registermytime.com/tw/ncdhd>. If you need technical assistance or do not have internet, call NCDHD office for assistance at 402-336-2406.

NCDHD has the following vaccination clinic times available for walk-ins during the noted times below. If interested in getting a COVID-19 vaccine or booster dose at your local hospital/clinic, please call your local hospital/clinic for their vaccine schedule and availability.
