## “First Positive Case in Pierce County” Public Service Announcement

North Central District Health Department (NCDHD) was made aware of the first positive COVID-19 case in Pierce County. NCDHD has initiated contact investigations and have been rapidly assessing potential exposures to determine next steps. At this time, NCDHD believes this case is contained. NCDHD has been in communications with all identified close contacts and they are in self-quarantine (staying home) and will be actively monitored twice daily by public health officials. Additional details on the case will be shared as they are acquired.
