## “Potential Exposure Events” Public Service Announcement

North Central District Health Department (NCDHD) has identified the people that are at highest risk associated with the presumptive positive COVID-19 case in Knox County. These individuals are in self-quarantine and are not a risk to the public.

Potential exposure events that community members should be aware of include:

- Girls State Basketball Hartington Cedar Catholic vs. Weeping Water Game held in Lincoln, NE on March 5<sup>th</sup> at 9:00 AM. This game was held at Lincoln Southwest High School. Exposures may have occurred in the Hartington Cedar Catholic general fan section. The individual sat in the middle of the bleachers, about halfway up, and in the general fan section on the Hartington Cedar Catholic side during the game.
- Girls State Basketball Crofton vs. Bancroft-Rosalie/Lyons-Decatur held in Lincoln, NE on March 5<sup>th</sup> at 7:00 PM. This game was held at Lincoln North Star High School. Exposures may have occurred in the Crofton general fan section. They sat in the middle of the gym, slightly higher than half up, in the general fan section on the Crofton side during the game.
- Crofton Elementary students and staff who attended school on March 10<sup>th</sup>

If additional risks are identified, North Central District Health Department will release this information publicly and work with those effected.

If you feel you have been in direct exposure, please contact our North Central District Health Department office at 402-336-2406.
