## **NCDHD COVID-19 Updates**

### **Public Service Announcement**

North Central District Health Department (NCDHD) has been made aware of 132 new COVID-19 cases in the district since last reporting period on 9/13/2021.

District-wide case count will now also be reported Wednesday and Friday evening. These case-count updates will not include new recoveries and deaths; those will only be reported in the Monday press-release.

Regarding NCDHD COVID Vaccine clinics, we will be **requiring insurance card information** prior to receiving a COVID-19 vaccine. A photocopy of the front and back of insurance cards is needed. **If you do not have insurance, you are still eligible to get your COVID vaccine.** Please call our office with any questions.

NCDHD has the following clinic times available for walk-ins during the noted times below. If you already have a scheduled appointment time for a clinic on this list, please arrive at that scheduled time. Please note any location updates. These clinics will be dispensing **Pfizer, Johnson & Johnson and/or Moderna** vaccine. Please note by the location which clinic will be offering which vaccine.

Vaccine by the numbers from all sources including Federal reporting: Bureau of Prisons (BOP), Department of Defense (DOD), Indian Health Service (IHS) and Veterans Health Administration (VHA)

- total doses administered: 37,429
- fully vaccinated: 18,569
- partially vaccinate: 292
- 16+ vaccinated: 51.7%
- Total NCDHD district population vaccinated: 41.2%

Case count update as of 9/20/2021 at 3:00 PM: 5,168 Total Cases (TC), 4,705 (R), 76 Deaths (D), and 242 total cases reported in the last 14 days. If interested in county-based data, it is still available on the CDC's website at <https://covid.cdc.gov/covid-data-tracker/#county-view>. Please keep in mind that this data tracker is updated once weekly, and it does not keep count of any type of antigen or rapid test. It only has data based on PCR tests.
