If you believe you qualify for Phase 1A but were not vaccinated, please visit the NCDHD webpage and sign up on the appropriate survey. Visit the NCDHD website for sign-ups for individuals 75+, businesses in Phases 1B, and a survey for individuals in the general public who can receive a vaccine at a moment's notice. If you have already received a vaccine and are unable to attend the second dose clinic, please visit the NCDHD website and place your information on the second dose survey. For assistance completing the survey, please call the following agencies in your area: Elgin Public Library, Elgin Senior Center, Neligh Public Library, Neligh Senior Center, Ainsworth Public Library, Ainsworth Senior Center, Boyd County Senior Center, Valentine Public Library, Valentine Senior Center, Stuart Township Library, Atkinson Public Library, Atkinson Senior Center, O'Neill Chamber of Commerce, Bloomfield Public Library, Creighton Public Library, Eastern Township Library, Lied Lincoln Township Library, Verdigre Public Library, Crofton Senior Center, Osmond General Hospital, Osmond Library, Plainview Library, Plainview Senior Center, Pierce Public Library, Pierce Senior Center, Rock County Public Library, and Rock County Senior Center. - Mid-April to May: Phase 1C- Vaccines will be allocated to vulnerable populations (disabled, homeless, etc.) and those in congregate settings (incarcerated, colleges/universities, etc.).
- May to October: Phase 2 – Vaccine will be made available to the public.
