North Central District Health Department 1-402-336-2406

We Still Need to Do Our Part

Public Service Announcement

The office of Governor Pete Ricketts announced on January 20, 2021 that the state is moving from the "blue" to "green" phase of its coronavirus pandemic response plan. North Central District Health Department (NCDHD) would like to reiterate to the district that public health preventative measures have not changed. NCDHD still encourages district residents to continue to wear your mask in public places or where social distancing is difficult as well as practice social distancing while out in public.
