“COVID-19 Presumptive Positive Case” Public Service Announcement

On the evening of March 10th NCDHD was made aware of the first presumptive positive coronavirus case in our district. The person is a student in Knox county. The person started experiencing symptoms Thursday, March 5th.

NCDHD has initiated contact investigations and have been rapidly assessing potential exposures to determine next steps. All identified close contacts will self-quarantine (stay home) and be actively monitored twice daily by public health officials for fever and respiratory symptoms.

At this time, we are encouraging the community to self-monitor their symptoms. Symptoms of COVID-19 are fever, cough, and shortness of breath. If you feel you are ill, please **call** your provider and follow their next steps.
