## “NCDHD Sees Uptick in Cases.” Public Service Announcement

North Central District Health Department (NCDHD) is receiving an increase in trends for cases and direct contacts over the last week. With the 4<sup>th</sup> of July holiday approaching and guidance loosening in the state, NCDHD would like to keep district residents healthy and safe by reminding residents of the importance of social distancing, only making essential trips, wearing of masks or face coverings in public, and following current Directed Health Measure guidance.

Over the last week, NCDHD has reported out on nine (9) positive cases, one (1) recovery, and one (1) death. This is the most COVID-19 confirmations received in one week for the district since the beginning of COVID-19 reporting. Across the United States, case trends are rising in 29 states that have densely populated cities. The White House task force has confirmed today that virus cases have hit a new daily high.

Case count update as of 6/26/2020 at 12:00 PM: 45 Total Cases (TC), 30 Recoveries (R), and 1 Death (D). Reminder that Total Case (TC) numbers are represented first, and of those total cases the number of Recovered (R) persons is represented second, and total case related Deaths (D) is represented third.

Antelope: TC: 9 R: 8, D: 1	Keya Paha: TC: 0
Boyd: TC: 1, R: 1	Knox: TC: 23 R: 13
Brown: TC: 0	Pierce: TC: 7 R: 6
Cherry: TC: 1 R: 1	Rock: TC: 1, R: 0
Holt: TC: 3 R: 1
